

Due to safety concerns all mealsites are closed indefinitely.

The Rainbow Supper Club is closed indefinitely.

Since the COVID-19 outbreak began, our Meals on Wheels program has begun services to over 400 new clients. We are still delivering meals daily. Our nutrition staff and delivery drivers wear masks and gloves, and follow strict social distancing protocols to protect their health and that of our consumers. Based on availability our home delivered meal menus are subject to change.

Thank you for your understanding and stay safe.
